

ENCLOSURE A

Student's Initials	Graduation Date per CCI	Placement Date per CCI	Job Title per CCI	Company per CCI	Placement Page Reference from CCI's Documents	Summary of Student Statement
K. A.	3/11/2011	8/10/2011	Medical Assistant	Occupational Health Solutions	JB00163010	Student has not been employed after attending and graduating from Everest. Student has never heard of Occupational Health Solutions and has never worked for such company.
I.B.	4/26/2010	7/7/2011	Medical Assistant	Wellness Assessment Team	JB00159617	Student has not found a job as a medical assistant since graduating from Everest. She did work 1-2 hours per day at 2 or 3 one-day health fairs, which were spaced one week apart. This totals to no more than 6 hours over a 3-week period. The student was paid \$7.75 per hour.
J. C.	11/4/2010	8/10/2011	Medical Assistant	Occupational Health Solutions	JB00163005	Student has not worked as a medical assistant since graduating from Everest. Student has never heard of Occupational Health Solutions and has never worked for such company.
S. C.	6/1/2010	8/4/2011	Medical Assistant	Healthcare Labs	JB00159625	Student has not worked as a medical assistant since graduating from Everest. Student had heard of Healthcare Labs. Everest called the student to come to the school for an interview with Healthcare Labs, and the company said she was hired on the spot. However, once the company told her that she would not be its employee, but rather, an independent contractor traveling to clients' homes and workplaces to collect blood and urine samples, she decided not to work in that capacity. She was never paid by Healthcare Labs because she never did any work for it.
S. C.	4/14/2010	7/12/2011	Medical Assistant	Wellness Assessment Team	JB00159617	Student has never worked as a medical assistant since graduating from Everest. A few years ago Everest called her and asked if she wanted to work at a health fair in order to get experience which would help her find a job. Student just sat at a table for 3-4 hours each day with other Everest graduates at the 2-day health fair. She did no medical assistant work and was not paid.
A. E.	6/23/2010	7/22/2011	General Laborer/ Maintenance Work	Brown & Brown Master Builders	JB00163049	Student has never worked in the electrician field since graduating from Everest. Everest set the student up with a contractor who arranged to meet him and other Everest graduates at the Home Depot across from the school. Student worked for two consecutive days removing siding from a house and pulling up carpet. After being late the second day, the contractor never showed up on the third day. Student was paid no more than \$140 in cash for the two days and after being paid by the contractor never heard from the contractor again.

ENCLOSURE A

S. F.	8/28/2010	7/20/2011	Medical Administrative Assistant	The Leading Consultants	JB00162991	The student has never heard of the Leading Consultants and never worked for such company.
A. H.	8/11/2010	7/18/2011	Medical Assistant	Wellness Assessment Team	JB00159626	Student has never worked as a medical assistant since graduating from Everest. Student has never heard of the Wellness Assessment Team. Everest arranged for the student to be interviewed by an employer, but she was unclear about the job and so never worked for the company.
S. H.	9/29/2010	8/11/2011	Medical Assistant	Medic Exams	JB00163011	Student has not worked as a medical assistant since graduating from Everest. Everest gave her the name and phone number for a position and instructed her to call the owner, which she did. The owner explained it was a mobile job requiring her to go to people's houses to do medical testing, and that she would have to provide her own transportation. Student did not have any transportation, and as a result, she never worked for the company.
K. H.	11/12/2010	8/26/2011	Medical Assistant	Living Healthy Solutions	JB00163014	Student has not found a job as a medical assistant since graduating from Everest. Student recalled working at three health fairs for Living Healthy Solutions over the space of three weeks. She only took vital signs and did not perform any other medical assistant work at the health fairs. She was paid about \$100 for each health fair. After the third health fair she never heard from the company again.
L. I.	7/23/2010	7/14/2011	Electrical Helper/ Maintenance Technician	Brown & Brown Master Builders	JB00163050	Student has never worked in the electrician field since graduating from Everest. Everest set the student up with a contractor who arranged to meet him and other Everest graduates at the Home Depot across from the school. Contractor told student he was an intern and not an employee. Student did demolition work for about seven days over a period of two weeks and never worked for the contractor again. Contractor said he would call him back for more work but never did. Student did no electrician work and was paid no more than \$50 cash for each day he worked.
O. J.	5/20/2010	7/12/2010	Maintenance Tech/General labor	M & S Remodeling	JB00159443	Student has not worked in the HVAC field since graduating from Everest. He has never heard of M & S Remodeling and has never worked for that company. His teacher was unqualified and he did not learn anything. He has applied for jobs but when the employers learn he is from Everest they will not consider him.

ENCLOSURE A

L. J.	3/23/2010	8/3/2011	Medical Assistant	Occupational Health Solutions	JB00159615	Student has not found a job as a medical assistant since graduating from Everest. Everest called the student to come to the school for an interview with a company, which told her she was hired. The company had three consecutive days of unpaid training at the school and told her she would be working at health fairs, but this never happened.
M. M.	10/26/2010	8/24/2011	Medical Assistant	Living Healthy Solutions	JB00163014	Student has not found a job as a medical assistant since graduating from Everest. Student recalled working at three one-day health fairs for four hours per day, for a total of 12 hours. The health fairs were spaced one week apart. The student was paid \$80 per health fair. After the third health fair, the company never called the student again.
B. M.	10/4/2010	7/12/2011	Medical Assistant	Corporate Talent Pool	JB00163010	Student recalled that Corporate Talent Pool sent her on a two-day assignment at an orthopedic doctor's office, where she filed X-rays. She was paid less than \$100 for her work. Although she contacted the company several times requesting work, she never received another assignment.
B. M.	10/14/2010	8/3/2011	Medical Assistant	Occupational Health Solutions	JB00163012	Everest called the student to come to the school for a position. The company held an orientation at the school. Student was a contractor and not an employee and worked for no more than three weeks out of her house calling businesses to try to set up health fairs. She was paid \$125 once a week. She and other Everest graduates met the owner at a nearby Kroger's grocery store each week to get paid. One of the checks bounced. After she received the last check, she never heard from the company again.
S. P.	6/4/2010	8/26/2011	Medical Assistant	Living Healthy Solutions	JB00159623	Student has not found a job as a medical assistant since graduating from Everest. The student worked at two one-day health fairs, from about 8 or 9 in the morning until 2 or 3 in the afternoon. She was paid \$200. After the second health fair she never heard from the company again.
R. R.	4/22/2010	7/15/2011	Maintenance/ General labor	Veterans Electric	JB00159429, JB00159430	Student has never worked in the electrician field since graduating from Everest. Student has never heard of Veterans Electric and was never employed by that company.
J. T.	10/21/2009	7/15/2011	Medical Assistant	Flat Shoals Foot & Ankle Center	JB00163004	Student has never worked in the medical assistant field since graduating from Everest. Student worked at Flat Shoals Foot & Ankle Center for four days during one week, from about 8:00 AM until about 2:00 PM, and worked in the front and back offices. Student was told that Flat Shoals wanted to try her out and see if she would be a good employee. Student was not hired by Flat Shoals.

ENCLOSURE A

C. W.	5/20/2010	7/20/2011	HVAC Tech	M & S Remodeling	JB159444	Student has never worked in the HVAC field since graduating from Everest. Everest called and said it had a job for him. He was told that if he signed up for the company, whose name he could not recall, he would get paid, even if he did not work. After two weeks he got a check for about \$250 from the company even though he had not worked any hours. He did not ever do any work for the company and never received another check.
T. W.	6/11/2010	7/14/2011	Medical Assistant	Flat Shoals Foot & Ankle Center	JB00159628	Student has never worked in the medical assistant field since graduating from Everest. Student worked for four hours a day, two days a week, for about a month at Flat Shoals filing papers and verifying insurance. About 20-30 other Everest graduates were also "interviewing" for the position and they were in the office on a rotating basis. She was paid about \$8 an hour. She was not hired at Flat Shoals.
