

## Student Acknowledgement Form

The Art Institutes has made the decision to no longer enroll new students at your campus. As a continuing student, we want to be sure you are afforded every opportunity to complete your education and we are committed to helping you remain on the path toward your educational goals.

There are several options available to you to complete your studies and progress into your chosen field. We are committed to working with you to help you determine the best path forward. Your options include:

- **Complete at your Art Institutes campus.** Complete your studies at your Art Institutes campus, uninterrupted, provided you are able to graduate on or before the end of the calendar year. If you qualify for this option, we will offer you a 50 percent reduction on any remaining tuition.
- **Complete via Art Institutes Online:** Students whose program is also offered via Art Institutes' online delivery modality will have the opportunity to complete their program online and receive a 50% tuition savings for the remaining courses in their program.
- **Complete through another Art Institutes campus:** Students who live or work in close proximity to another Art Institutes campus may transfer to that campus and will receive a 50% tuition savings for the remaining courses in their program.
- **Complete through another Dream Center Education-affiliated institution:** Students may also transfer to another institution within Dream Center Education Holdings, including Argosy University or South University campus or online programs. Art Institutes students who transfer to Argosy or South will also receive a 50% tuition savings for the remaining courses in their program.
- **Transfer to another college or university:** For students whose program is not offered via Art Institutes' online delivery modality, the institution will seek out transfer/articulation agreements with other accredited, local and online institutions which offer the same or similar programs. Art Institutes will offer students who are able and choose to transfer to another institution a \$5,000 tuition grant to support the completion of their studies.

Offer Good for One Year: Current students actively enrolled as of July 3, 2018 may qualify for the above options if enrolled and attending no later than July 3, 2019.

Should a student elect not to continue his/her educational program, the U.S. Department of Education provides the following website to assist students: <https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/closed-school>

I acknowledge that I have been informed of my options.
