

TRANSFER OPTION SELECTION FORM

I have been advised that new students are no longer being enrolled in my current program at my Art Institutes campus. Students who meet the requirements may apply for transfer to online in the same program or another program; transfer to another campus either in the same program or another program, or transfer to another institution that helps them meet their professional and educational goals.

My options have been explained to me and I have decided to:

Transfer to Art Institutes Online to complete my current program via online modality.

Transfer to Art Institutes Online and switch my program, understanding previous coursework will need to be reviewed to determine transferability.

New Program Name _____

Transfer to another Art Institutes campus to complete my current program.
