ORDER OF THE COURT	

To: The Parties and the Clerk of the District Court

Upon consideration of the motion to supplement the record, the Court GRANTS the motion on the grounds that the district court took judicial notice in its final order being appealed of the attached document sought to be included as a supplemental record.

The supplemental record, consisting of the Report of the Uniform Consumer Credit Code Revision Committee, dated November 30, 1999, properly certified by the district court, shall be due 14 days from the date of this Order. Counsel for the moving party is responsible for contacting the trial court to facilitate supplementation of the record.

If the supplemental record cannot be filed within 14 days, the Clerk of the District Court shall file an affidavit explaining the delay and indicating when the supplemental record can be filed.

Furthermore, upon consideration of the motion to strike the letter filed with this Court on February 24, 2021, this Court DENIES the motion.

The opening-answer brief(s) shall remain due on March 25, 2021.
